30 September 1964

To: Contract Officer, SP-1925

Subject: PROPERTY ACCOUNTABILITY

Since work has been completed under SP-1925, the tooling accounted for under such contract can now be transferred to SP-1926, which has been issued to continue with similar work. Enclosed are two (2) copies of the SP-1925 Inventory List of tooling. All other property heretofore used or charged to SP-1925 has been accounted for by delivery or other disposition.

In view of these circumstances, please provide us with authority to transfer the tools listed in the enclosure to SP-1926, so that we may proceed with closure action on SP-1925.

Very truly yours,
